

Rubric for the Atmosphere Poster:

Layers are the Troposphere, Stratosphere, Mesosphere, and Thermosphere

You need to design a poster with information about each one of the layers. Your drawing needs to be colored, and neatly designed in order to get full credit. You also need to include the following criteria:

_____ **4 pts.** You must have all four layers named:
Troposphere, Stratosphere, Mesosphere, and Thermosphere

_____ **8 pts.** You must have temperatures labeled and you must have depth labeled

_____ **9 pts per layer** You must have 3 characteristics labeled for each layer and you must have 3 characteristics you labeled drawn out.

_____ **2 pts. Title for Poster**

_____ **5 pts. Colored with colored pencils**

_____ **5 pts. Neatness and Effort**

_____ **33 Total Points**

Use the following chart to help you gather information:

Troposphere	Depth/Height: Temperature: What happens in this layer: 1. 2. 3.
Stratosphere	Depth/Height: Temperature: What happens in this layer: 1. 2. 3.
Mesosphere	Depth/Height: Temperature: What happens in this layer: 1. 2. 3.
Thermosphere	Depth/Height: Temperature: What happens in this layer: 1. 2. 3.
